## HEAVY DUTY LUBRICANTS

Economical, dependable lubrication

## AUTOMATIC TRANSMISSION FLUID

### PRODUCT DESCRIPTION

A Dexron III / Mercon type fluid made to provide superior performance in power steering and automotive automatic transmissions where Dexron II, Mercon, or Dexron III is specified. This Fluid is also recommended for Ford models that specify Ford ESP M2C 138-CJ. It also makes an excellent Anti-Wear all season hydraulic oil and meets Vickers 35VQ25, Denison HF-0 and Sundstrand fluid requirements.

### FEATURES

- Meets Allison C-4 requirements
- Meets Vickers 35VQ25 requirements
- Meets Denison HF-0 requirements
- Good low temperature performance
- Outstanding stability

### TYPICAL PROPERTIES

Pour Point	-45C
Viscosity Index	200
Viscosity cSt @ 100C	7.5 cSt
Viscosity cSt @ 40C	36 cSt
Colour	Red
