

## HEAVY DUTY LUBRICANTS

Economical, dependable lubrication

# CLEANING SOLVENT

### PRODUCT DESCRIPTION

SURE-CRAFT cleaning solvent is a general purpose industrial solvent which possesses the traditional requirements of solvency and evaporation rate. It is interchangeable with all standard solvents and mineral spirits.

SURE-CRAFT cleaning solvent is a premium product offering economy combined with outstanding solvency. It is available in 205 litre barrels and heavy duty resealable 20 litre pails.

### APPLICATIONS

General purpose cleaner or diluent. Effective for removing oil and grease, waxes, polishes and surface coatings.

### TYPICAL PROPERTIES

CHARACTERISTICS	TEST METHOD	
Evaporation Rate to 90% Evaporated	D3539	0.10
Copper Strip Corrosion 3 HR @ 100°C	D130	#1
Doctor Test	D484	NEG
Colour, Saybolt	D156	+30
Non-Volatile Matter, MG/100 ml	D1353	<1.0
Sulfur MG/KG		<1.0
Solubility Parameter		7.8
